Languages: JavaScript (ES6+), TypeScript, HTML5, CSS3, SASS

Familiarities: Node.js, Express.js, NestJS, PHP, Laravel

Tools & Practices: Git, REST APIs, Pusher, i18n, Zustand, Pinia, TanStack Query, Figma, Performance Optimization

Experience

Frontend Developer – Softigital July 2023 – Present | Egypt

- Lead a junior frontend engineer, conducting code reviews and establishing clean architecture standards.
- Build and maintain production-grade applications using React, Next.js, Vue.js, and Tailwind CSS.
- Engineered an interactive multi-format document annotation tool for the **Quantillium financial and SEC filings platform**, enabling seamless text highlighting and note-taking on PDFs and text documents.
- Integrate Stripe subscription systems, file upload features, and real-time push notifications using Pusher.
- Collaborate with cross-functional teams to translate designs into performant, responsive UIs.

Frontend Developer – Freelance Jan 2024 – Present

- Develop customized dashboards and responsive web solutions, improving client user engagement by up to 80%.
- Implement internationalization (i18n), custom UI animations, and SEO/performance optimizations.

Projects

Etqaan – Next.js, React Native, Expo, Tailwind CSS 🔗 etqaan.online

- Built a multi-tenant EdTech SaaS platform and a companion mobile app (iOS/Android) for tracking student progress.
- Integrated video streaming, online exams, QR-code attendance, real-time updates, and automated PDF reporting.

Goodgame Media Production – Next.js, Tailwind CSS 🔗 goodgame-media.com

- Built an interactive portfolio showcase site with BunnyStream video integration for fast media playback.
- Designed dynamic sections for seamless content updates with fully responsive design across all devices.

KidsQueue – React Native, Expo

- Developed a cross-platform mobile app to streamline queue management for children's services.
- Integrated real-time synchronization via REST APIs and designed a child-friendly responsive interface.

Education

Culture & Science City – B.Sc. in Computer Science
